## **2017 COMPETITION AND FORMATS**

This season's league will be different from previous season's formats. Weekly formats are outlined on the league schedule and will consist of four primary and elementary formats: 1.) Individual Stableford, 2.) Individual Quota, 3.) Individual Stroke Play, 4.) one A, B, C, D Scramble night. With the exception of scramble night, play for each format will take place on four consecutive weeks. New in 2017, each player will have their highest score dropped for prize contention. All play will be net. For definitions of each format, please reference descriptions below:

### **INDIVIDUAL STABLEFORD FORMAT**

Stableford is a scoring system used in the sport of golf. Rather than counting the total number of strokes taken, as in stroke play, it involves scoring points based on the number of strokes taken at each hole. Unlike traditional scoring methods, where the aim is to have the lowest score, under Stableford rules, the objective is to have the highest score.

Stableford can have the added benefit of speeding up the pace of play, as once it is no longer possible to score a point, a player does not have to complete the hole but can simply pick up his/her ball and proceed to the next hole. It is a popular form of the game, especially at club level and particularly in the United Kingdom, as it is still possible to record a competitive score despite having the occasional bad hole.

The number of points awarded on each hole is determined based on comparison of the number of strokes taken to a fixed score, usually par. This fixed score is then adjusted in relation to the player's handicap. Once a player has taken two strokes more than the adjusted fixed score, they may pick up their ball, as it is then not possible to score any points on that hole. They can then resume play on the next hole. Because of this, it is still possible to be competitive even allowing for a few bad holes. At the end of the round, the number of points scored on each hole is totaled to give a final score. The winner of a Stableford competition is the player with the highest point total throughout the season.

Our Ladies' League will be handicapped meaning your final net score on a hole will be reflected by allocating the proper number of strokes based on each player's most recent Course Handicap. Point distribution is listed below:

Points	Strokes taken in relation to adjusted fixed score
0	2 strokes or more over, or no score recorded
1	1 stroke over (bogey)
2	Same number of strokes (par)
3	1 stroke under (birdie)
4	2 strokes under (eagle)
5	3 strokes under (double eagle)
6	4 strokes under (albatross)

### **INDIVIDUAL CHICAGO QUOTA FORMAT**

The Chicago style Quota format golf rewards competitors for great play on individual holes and not just for their total scores in a round. It also has a unique way of taking the handicap difference among players into account in the scoring formula, giving players of varying abilities the opportunity to compete against one another.

Players must have an established handicap to compete in the Chicago style golf format. Each player receives a preliminary number of points based on that handicap. For example, a 1-handicapper starts with 18 points, a 2-handicapper 17 points, a 3-handicapper 16 points, and so on. Playing points are awarded based on the score a competitor receives on each hole. A bogey wins one point, a par wins two points, a birdie wins four points, an eagle eight wins points and a double eagle wins 16 points. The winner is the player who earns the most playing points in excess of his preliminary point allotment. Winners at season's end will be determined by the player(s) with the most points over the course of the season.

### **INDIVIDUAL NET STROKE PLAY FORMAT**

Stroke play, also known as medal play, is a scoring system in the sport of golf. It involves counting the total number of strokes taken on each hole during a given round, or series of rounds. The winner is the player who has taken the fewest number of strokes over the course of the round, or rounds. For Ladies' League, all Stroke Play will factor in strokes using net scoring.

### **INFORMAL TEAM PLAY TO TAKE PLACE THROUGHOUT THE SEASON**

An informal team competition will take place throughout the season. This will be a two-person "better-ball" of the foursome. Teams will be formed at random consisting of an A, B, C, and D player. These four player teams will not play together on each given week. Scorecards will be "matched" – twosome with twosome to constitute the team total score. The season-long team with the fewest team strokes will win a prize at season's end. So, be sure to follow your teammates' play throughout the year!

### **CANCELATION IN THE EVENT OF INCLEMENT WEATHER**

In the event of inclement weather, weekly play will be canceled and not rescheduled. Money from these canceled weeks will be re-allocated into the prize pool. Regardless of weather and possible cancellations, all official play will conclude on Monday, August 7. The end-of-season awards dinner will take place on Monday, August 14.

### **2017 PRIZES**

Golf Shop credit (\$10 per winner) will be awarded on a weekly basis to special contest winners. Stableford, Quota, Stroke Play, and an overall point winner will garner prize winners will be awarded at season's end. The number of prizewinners for each format will be determined at a later date.

### **NO MAKE-UP ROUNDS ALLOWED**

Breakfast Hill Golf Club does not allow participants to make-up any missed league rounds.

### **OPTIONAL SKINS GAME OFFERED EVERY WEEK**

An optional gross and net skins game will be offered during each week of the league season for a nominal entry fee of \$5 (each). Skins will be awarded to those competitors who record the lowest gross and nets score on a given hole during their particular nine-hole round. It is the club's goal to announce skins winners following play on every league night. If a skin is not won during a specific night the total pot will carry over to the following week. Remember: YOU CAN'T WIN IF YOU DON'T PLAY! Any unclaimed skins money will be forfeited after September 1.

### **SCORECARDS**

One scorecard will be assigned to each foursome on a weekly basis. Individual strokes (or dots) will be illustrated on each scorecard. The number of strokes assigned will reflect the player's Course Handicap based on the latest revision (every two weeks on the 1<sup>st</sup> and 15<sup>th</sup> of every month).

### **SPECIAL WEEKLY CONTESTS**

Breakfast Hill's Ladies' League will offer two-weekly Closest to the Pin contests. A \$10 Golf Shop credit will be awarded to each winner on a weekly basis. Entry into weekly special contests is included in your league entry fee.

### **HANDICAPPING INTEGRITY RELIES ON PROPERLY POSTING SCORES**

If a player does not finish a hole, please place an "X" in the proper hole location. The golf staff will adjust these scores accordingly. To insure all competitors' handicaps are properly adjusted, a member of the professional golf staff will post all scores in the GHIN computer. For information on how to adjust scores appropriately, visit the Golf Shop and review the Equitable Stroke Control table (ESC) located behind the GHIN computer.
