

FIELD DIVIDED INTO FOUR DIVISIONS FOR INDIVIDUAL PLAY AND TEAM FORMATION

This season's field will consist of 80 players. Based on each player's GHIN Index (latest index prior to draft night) this year's field will be divided into four separate divisions – essentially A, B, C, and D divisions. The A division will consist of the lowest 20 handicap indexes, the B division will consist of the next 20 handicap indexes, and so on.

INDIVIDUAL COMPETITION

Individual nine-hole matches vs. a different opponent within the same division will take place every week throughout the season. If a player wins his match, he will earn one point for himself (for individual standings) and another point for this team (for team standings). A half point will be awarded for finishing a match all-square. Prizes will be distributed to the top five players in each flight ("A/B flight" and "C/D flight") at season's end (prizes subject to change).

TEAM COMPETITION

Four-man teams will compete together throughout the season. A/B players will play on one nine while the C/D players will play on the opposite nine. The format will consist of four-ball (better-ball) matches. A/B teams will compete against other A/B teams throughout the season (same with C/D teams vs. C/D teams). Winning your team match will earn a team one point, halving a match will earn a team a ½ point, and losing a match will garner zero points. Also factoring into team points will be individual results. If an individual wins their match, one point is added to their team score for that week (halving = ½ point). On each week of play, a team can win a maximum of six total points (four for individual results and two for team results). Prizes will be distributed to the top five teams at season's end (prizes subject to change).

TEAMS TO BE FORMED VIA TWO DRAFTS – MAKE NOTE OF SCHEDULING CHANGE FOR SECOND SESSION DRAFT

Two drafts will form teams for this season. "B" players will draft their "A" teammate (first round). "D" players will draft their "C" teammate (second round). The first and second round order selection will be made by drawing numbers from a hat. Once two-man teams are formed, the "A/B" teams will convene and select their "C/D" counterparts (third round). The third round order of selection will be as follows: 1.) the total team handicap index will be determined for each "A/B" team, 2.) the team with the highest total handicap index will select their "C/D" teammates first, then the team with the second highest team handicap will select, and so on. A brief five-minute "trade period" will take place following each round.

The SPRING SESSION Draft Night will take place on Wednesday, April 25 (April 15 GHIN revision used for this draft) at 6:00 pm using the draft format listed above. The SUMMER SESSION Draft Night will take place immediately following play on Wednesday, June 13 (June 1 revision used for this draft) using the draft format listed above. Due to the scheduling limitation, play on this night will begin at 4:15 pm (shotgun). Please be prepared to play swiftly on this night.

SCORECARDS

Scorecards will be dotted off the low handicap in the foursome. Please keep in mind scorecards are dotted for four-ball matches only. Individual matches, even though scorecards are not dotted appropriately, will be stroked off the low handicap in the match (two-some). All dots/strokes will be assigned using 100% of each player's each Course Handicap from the appropriate tee markers. Scorecards will be assigned to the appropriate carts prior to play. It is each player's responsibility to check each scorecard before turning it in for scoring. Once the scorecards are turned in, the results will be considered FINAL. Results WILL NOT be reviewed under any circumstance following each league night (unless it is to dispute data entry by the Director of Golf and/or golf staff).

CLUB THROWING AND OTHER UNSPORTSMANLIKE BEHAVIOR

The throwing of any club or any other unsportsmanlike behavior will not be tolerated during the league season. This behavior is not only dangerous to yourself and those around you, but it also takes away from the enjoyment others may be experiencing during their round. Violent and/or unsportsmanlike outbursts will be reviewed on a case-by-case basis by the Director of Golf. If warnings (two or more) are deemed to be excessive, the violating player will be invited not to return to league competition for the remainder of the season – without refund.

HANDICAPPING INTEGRITY RELIES ON PROPERLY POSTING SCORES

It is each player's responsibility to post scores in the GHIN computer following play. The integrity of our league relies on all players properly posting their score. The Director of Golf will make sure scores are being posted throughout the season. Should a player not post his scores, he may be penalized by reducing total points or by being invited to leave our league.

ABSENCES – THE "THREE STRIKE" RULE

Each player will be allowed to miss a maximum of three league weeks with no penalty. If a player violates this rule, the teammate will have three options: 1.) the teammate will have the option to replace the violating player (replacement must have a valid GHIN account); 2.) the teammate may allow the violating player to remain on the team; or 3.) the Director of Golf may invite the offending player to withdraw from competition without refund. Players who violate the "three strike" rule may not be allowed to participate in league during the following season. To gain access to league in 2015, the offending player must re-apply with the Director of Golf although this is not guarantee he will be allowed to return. Breakfast Hill Golf Club will strictly enforce this rule on behalf of the effected team(s). All contact information for club officials is located on PAGE 1 of this document.
