

Breakfast Hill Golf Club **SIMULATOR LEAGUES**

Breakfast Hill's Simulator Golf Leagues are each six weeks in length starting in early December and ending in mid-March. The league will consist of 2-person teams that will compete weekly against all other league teams. There will be weekly winners and a season long points race. League entry is \$50 (per half) per team, and a weekly reduced member simulator fee. All league prizes will be CASH!

Club Simulator Schedule

The Club's schedule is located online at BreakfastHill.com or visit the score/bulletin board.

Format

Various formats will be used throughout the season including Four-Ball for nine-holes (better score of twosome), Aggregate for nine-holes (two scores of team added together), and Scramble for 18-holes (traditional scramble except with only two players).

Handicaps

League will use your GHIN handicap for weeks 1 and 2. For the rest of the season, your handicap will be adjusted based on your scores every two weeks. Strokes will be illustrated and dotted on your scorecards.

Courses and Tees

The entire league schedule complete with courses and settings are posted online and on the bulletin board.

Scorecards

Nate will post scorecards for each week's play on the scoreboard. Appropriate strokes and course information will be assigned on these scorecards. Upon completion of your round, please return these scorecards to the board for scoring. If there's no scorecard, your score will not be counted.

Results

Results for each week's play will be posted online at BreakfastHill.com as well as in the clubhouse. It will be club's goal to post results by the Wednesday following play. Note that scoring will be delayed twice during the indoor season (January 18-26 and February 28-March 7).

Prizes

First and second place cash prizes will be awarded for each week of play. Prizes for the season-long points race will be awarded at season's end to the first and second place winners (other places may be awarded depending on total number of teams enrolled).

Season Long Point Totals Example

Team 1 – 1st Place = 4 points (based on number of teams playing)

Team 2 – 2nd Place = 3 points

Team 3 – 3rd Place = 2 points

Team 4 – 4th Place = 1 point

Points are added up throughout the season. Team with most points wins. In the event of a tie, the points will be divided (i.e., two-way tie for 3 points = 1.5 points each).

Entry Fee

\$50 one-time entry (per half) to go toward weekly and season-long prizes + the weekly simulator fee. Remember the simulators are priced per hour and NOT per player. Your server will divide prices accordingly. Club tournaments (Member-Member and Scramble) will carry an additional fee and are not included in your league dues.

Scheduling your time

It is each team's responsibility to reserve their own simulator times. To book your time, please call 603-436-5001, ext. 5 or log onto BreakfastHill.com. Remember, two players will pay more for the weekly simulator rental than a foursome! Find some friends and book a time for a group of you! Rule of thumb = 40 minutes per nine-holes for a single player (i.e., two players would take 80 minutes). Players may feel free to play their week's in advance. For example, if players are traveling during week 3 play, they can schedule a time beforehand. Play may always take place early but never after the allotted date.

Any questions or if you'd like to register, please contact Nate Bridges at 603-436-5001, ext. 3 or email him (preferred) at natebridges@breakfasthill.com.
